

FRENCH TOUR

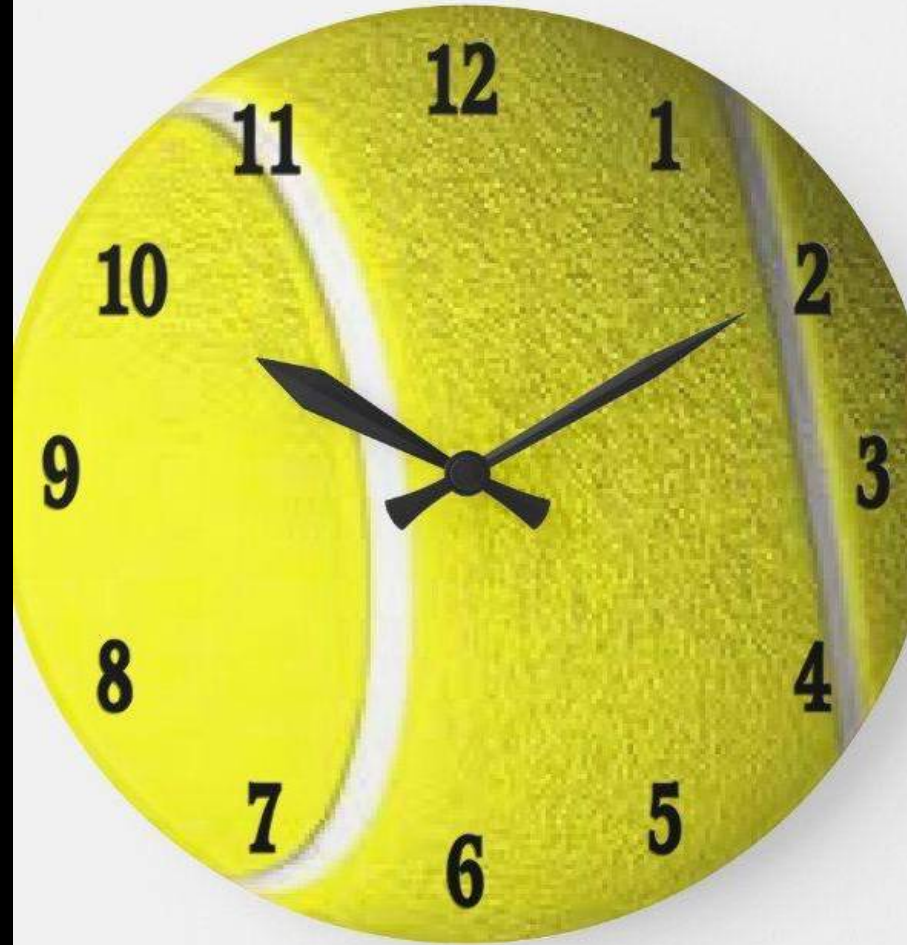

Bretagne - August 2025

Mariano Cassan
Gastón Tonello

DATES

The duration of the tour is three weeks, from August 3 to August 24.

SCHEDULE

The idea is to leave early on Sunday, August 3, with Gastón, from Stuttgart to Rennes. Upon arriving in Rennes, coach Mariano will be waiting for you and will take you to the accommodation, where everything will be ready for your comfort.

The next day, you will start with training sessions and perhaps a tournament.

On August 24, we will schedule the return trip similarly to the outbound journey.

PLACE AND ACCOMODATION

The tour will take place in the Brittany region, more precisely, in a small town called Corseul, 25 minutes from the city of Dinard.

PLACE AND ACCOMODATION

It's in the same place where
the 2024 tour took place.

PLACE AND ACCOMODATION

The house has a capacity for 12 people, where the players will be very comfortable.

TOURNAMENTS

The players will participate in at least two tournaments per week. Being juniors, they can compete in the same tournament in both the senior and junior categories. This is very beneficial because it allows them to play many matches (that is the main objective of the tour).

¿Which tournaments?

If we take the example of Janosch and Johannes who participated in the tour in 2024, we can see that they played in the following tournaments:

Dinard - Granville - Penvenan - Dinan -
Rennes - Jullouville

Total of six tournaments in 17 days.

ENTERTAINMENT

On their days off, the players will be able to enjoy the culture and tourism of the region.

In this picture, they are visiting Mont Saint-Michel

We hope that you can participate in this tour, which will bring you many benefits in sports.

Additionally, it will be a personal development experience, and extremely enriching in terms of cultural exchange (last summer, players from six different nationalities participated).

We are here for any questions that may arise.
